

July 2021

Dear Squires Families,

Welcome back! We are about to put on our capes and soar through a phenomenal year! Our Squires Super Squad staff has been diligently working to prepare for the 2021- 2022 school year. We can't wait to meet you and embark on our exciting journey together. We have planned for many new adventures which will include lots of encouraging words and engaging experiences for our superheroes in training. Most days we will be flying through friendly skies, but occasionally we may experience a tiny touch of turbulence as we implement new techniques. Squires students will prevail! Our powerful team of experts will continue to facilitate meaningful instruction equipping students with the tools necessary to reach their goals by addressing areas for growth and providing opportunities to demonstrate strengths. We can't wait to see our students fly high!

In addition to this letter you have received your child's class placement letter. All students will report for the first day of school on August 9, 2021. Students will enter the campus through our Multipurpose Room (Cafeteria) doors and will be greeted by our staff. Breakfast begins at 7:15 AM. Students will line up on their classroom dot to meet their teacher at 7:35 AM. Teachers will escort students to the classroom and begin instruction at 7:45 AM. Students will be dismissed at 2:16 PM from designated gates. Designated gates areas signed by grade level. Please see the map included to identify the gate your child will use. Please communicate how your child will get home from school with your child's teacher. Keep in mind we are a closed campus. Only staff and students are permitted to enter and exit the gates during arrival and dismissal.

We will be traveling through this journey with our fearless Squires families, learning and growing together. Family support is imperative to student success. In order to achieve our mission we will need to consistently communicate with each other. Please ensure that your contact information is correct within the Infinite Campus portal. We ask that you also follow the directions set forth by the teacher to link to Class Tag for school and class updates.

Please plan to join us for Open House on Friday, August 6, 2021. Grades 4 and 5 will be 10:00 AM-11:00 AM. Grades 2 and 3 will be 11:00 AM-12:00 PM. Grades K and 1 will be 12:00 PM-1:00 PM. Your child's teacher will present important school and classroom information, as well as answer any questions you may have. Know that I will be your tour guide throughout our journey and my goal every single day will be to lead you through the skies ahead. Together, we will chart new territories.

Sincerely,

Tiffany Burlacu

Directions: Please answer the questions below. Your answers will help me plan the best possible lessons for you this SUPER year.

1. What are your superpowers? (What are you good at?)

2. What is your kryptonite? (What do you need help with?)

3. If you had a SUPERHERO name, what would it be?

4. Circle or highlight three attributes you feel are most important for SUPERHEROES.

- |                |              |                        |
|----------------|--------------|------------------------|
| courage        | kindness     | x- ray vision          |
| responsibility | adaptability | grit (never giving up) |

5. Choose one SUPERHERO attribute and explain why it is important for the upcoming school year. If your favorite attribute is not listed above, you may add it.
